Dear Parents/ Carers,

It is with deep regret I am writing to inform you I have had to tender my resignation from the post of class teacher at Folksworth School. This is not a decision I have taken lightly and I realise this may come as a shock to you.

As I am sure you will all agree, family has to come first in life. Last week I received some bad news about the health of a close member of my family. This is an ongoing issue and I have to be there to support them. It will be impossible to do this if I remain in a full time teaching post.

I realise this is not going to be an easy time for you, or the children of Oak Class. To enable the transition to be as smooth as possible I have resigned at the earliest opportunity. I will be remaining at the school until a suitable replacement can be recruited and to enable the transition for Oak Class to be as seamless as possible.

I have enjoyed my time here at Folksworth particularly building relationships with you and your children. Knowing you as the people you are, I am confident you will understand my decision and realise as parents, I have no option but to resign.

With best wishes,

Mrs Revell
