

Key Stage 2 SATs

Parents' Presentation

Assessment and Reporting

- As of 2014, the 'old' national curriculum levels (e.g. level 3, 4, 5) were abolished as set out in government guidelines.
- The 2014 curriculum is rigorous and sets noticeably higher expectations than previous curricula, which is why all schools have had to work hard to meet and adapt to it since its introduction.
- Since 2016, test scores have been reported as 'scaled scores'.

Scaled Scores

What is meant by 'scaled scores'?

It is planned that 100 will always represent the 'national standard'.

Each pupil's raw test score will therefore be converted into a score on the scale, either at, above or below 100.

Using the scaled score, the lowest a child can score is 80, with the highest being 120.

A child who achieves the 'national standard' (a score of 100) will be judged to have demonstrated sufficient knowledge in the areas assessed by the tests.

Each pupil receives:

- a raw score (number of raw marks awarded);
- a scaled score in each tested subject;
- confirmation of whether or not they attained the national standard.

Scaled Score Examples

On publication of the test results in July:

- a child awarded a scaled score of 100 is judged to have met the 'national standard' in the area judged by the test;
- If a child's score is close to 120, they are working beyond (or above) the expected national standard.
- a child's score is close to 80, they are judged to have not yet met the national standard and performed below the expectation for their age.

The Tests

The KS2 tests consist of:

- English grammar, punctuation and spelling Paper 1: questions
- English grammar, punctuation and spelling Paper 2: spelling
- English reading
- Mathematics Paper 1: arithmetic
- Mathematics Paper 2: reasoning
- Mathematics Paper 3: reasoning

The biennial science sampling tests will take place in June 2020.

Grammar, Punctuation and Spelling

- A spelling test is administered containing 20 words, which lasts approximately 15 minutes.
- A separate test is given on grammar, punctuation and vocabulary.
- This test lasts for 45 minutes and requires short answer questions including some multiple choice.
- Marks for these two tests are added together to give a total for grammar, punctuation and spelling.

Reading

- The reading test consists of a single test paper with three unrelated reading texts. Children are given 60 minutes in total, which includes reading the texts and answering the questions.
- A total of 50 marks are available.
- Questions are designed to assess the comprehension and understanding of a child's reading.
- During the reading paper, a child's inference and deduction skills are thoroughly tested. They will also be expected to answer questions on authorial choices: explaining why an author has chosen to use particular vocabulary, grammar and text features.
- Some questions are multiple choice or selected response; others require short answers and some require an extended response or explanation.

Mathematics

- Children will sit three tests: paper 1, paper 2 and paper 3.
- Paper 1 is for arithmetic lasting for 30 minutes, covering calculation methods for all operations, including use of fractions, percentages and decimals.
- Questions gradually increase in difficulty. Not all children will be expected to access some of the more difficult questions later in the paper.
- Papers 2 and 3 cover problem solving and reasoning, each lasting for 40 minutes.
- Pupils will still require calculation skills but will need to answer questions in context and decide what is required to find a solution.

The Tests- timetable

SATS TEST DATES 2020

Date	Tests
Monday 11 May	<ul style="list-style-type: none">English grammar, punctuation and spelling Paper 1: questionsEnglish grammar, punctuation and spelling Paper 2: spelling
Tuesday 12 May	<ul style="list-style-type: none">English reading
Wednesday 13 May	<ul style="list-style-type: none">Mathematics Paper 1: arithmeticMathematics Paper 2: reasoning
Thursday 14 May	<ul style="list-style-type: none">Mathematics Paper 3: reasoning

Breakfast Club

Every morning we will run a breakfast club at no cost to you. Children will be offered a selection of cereals, fruit, toast and drinks and will enjoy having the opportunity to relax with their friends before school.

It will run from 8am on Monday to Thursday.

Science

- A selection of schools will be chosen to take part in the science sampling tests in June.
- The tests will be administered in selected schools by external administrators. The tests will only be taken by 5 pupils in each of these schools.
- There are three papers (25 minutes each).
- Science sampling test results will be reported as national data only. No individual school or pupil will be identified within the data that is published and individual results will not be returned to schools or pupils.

Revision guides

Most of these are about £4. 80 and are ones that we have used in class, but there are others available.
