8th November 2018

Dear Parents/ Carers,

Miss Leonard, one of our lunchtime supervisors, recently embarked on a challenge in honour of her Nanna who recently died from cancer after many years of fighting the disease.

On November 1st she started running and is intending to run **100 miles in 2 weeks**. This averages as 12.8 kilometres every day. To put this in perspective she intends to run nearly 4 marathons, 8 half marathons or sixteen 10 ks' in 14 days. She is doing all of this in aid of Cancer Research UK. To raise money to help find a cure and hopefully prevent people from having to go through the suffering that her family and many others have been through. If you would like to read a little more about her Nanna's story and this run please feel free to look at the just giving page:

On **Wednesday 14th November**, Miss Leonard will be running her final mile of the 100 mile challenge after her lunchtime duty on the school playing field. As she is a valued member of the school community we would like to support her in this and celebrate her achievement. We are therefore inviting pupils to walk, jog or run the final mile of this challenge with her. This will take place within the school day. Unfortunately parents will not be able to attend this event.

If your child would like to join Miss Leonard in running her final mile please complete the consent form and return it to school on Monday 12th November at the latest. Pupils will need their PE kits and suitable running shoes in school on this day in order to participate. If you have any further questions please do not hesitate to contact me.

Yours sincerely,

Miss Michelle Norbury
Headteacher
