

27.01.20 3 weeks

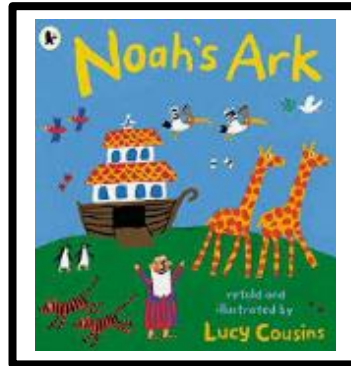

Acorn Class

Personal, Social and Emotional Development

We will be learning more about what makes a good friend.

We will be learning about how we can resolve difficult situations.

We will be learning how to develop healthy habits.

Physical Development

We will be talking about healthy habits including why sleep is important.

We will be developing our fine motor skills when dressing by doing up our own zips and buttons.

We will be exploring large apparatus in gymnastics in PE.

Communication and Language

We will be using narratives in our play.

We will be using kind words towards each other and learning about why this is important.

We will be asking questions to find out more about Australian animals.

Paws, Claws and Wings!

The children have loved 'Rumble in the Jungle' so we have decided to continue our animal theme!

Literacy

We will be making our own class book to share.

We will be finding out about Australian animals using the internet.

We will be retelling the story of Noah's Ark using our play set.

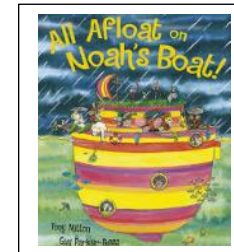

Mathematics

We will continue to develop our addition skills.

We will continue to explore and name 2D shapes.

We will be exploring and naming 3D shapes.

Understanding the World

We will be finding out which animals live in Australia.

We will be finding out where the cold parts of the world are and what it is like there.

We will learning about what The Bible is.

Expressive Arts and Design

We will be making our own junk modelling boats.

We will be exploring our new independent paint station!

We will be exploring new small world sets and making our own stories with them.
