7th January 2019

Dear Parents and Carers,

On Thursday 24th January, our Reception and KS1 children will be receiving a visit from 'The Animal Experience' in school. They are a company based in Ely who visit schools to provide a fantastic hands on experience for children to encounter animals such as snakes, a meerkat, spiders and tree frogs and learn about their individual needs, natural habitats and where they can be found in the world. More information can be found on their website at **www.animalexperience.org**

This curriculum experience will really enhance the topic of 'Animals from Around the World' which is the focus of work in Maple class and 'Animals' which will be the focus for the children in Acorn.

The morning will begin with a whole school assembly and then Maple and Acorn classes will receive a workshop where they can focus on a particular area of learning and find out more about the specific animals. Children will have the opportunity to touch the animals if they want to or view from a distance if they feel more comfortable with this.

To support the cost of this experience, we would be grateful if you could contribute £3 towards the cost of this exciting opportunity. This can be done through SIMS AGORA.

Many Thanks

Mrs.N.Sawyer and Mrs. B. Duckett

We are committed to providing high quality education in a Christian context, in which our children can flourish and develop as well-rounded individuals.
