## Sports Premium 2021-22

### The Sports Premium Grant

The Government is spending over £320 million on this funding to provide new, sustainable and substantial primary school sport funding. This funding is being jointly met and provided by the Departments for Education, Health & Culture and Media and Sport - and shall see money going directly to primary school for Headteachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on Sport and PE provision at Folksworth C of E Primary school.

Funding for schools is calculated by the number of primary aged pupils (between the ages of 5 and 11). All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. For Folksworth C of E Primary School this calculates as follows:

- *Total number of primary aged pupils between the ages of 5-11 = 92*
- *Total amount of Sport Premium Grant received £16920 (£16000 + (92 x £10))*

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The [programme of study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.
